INTEREST RATES

These Interest Rates
are effective from 24th March 2020

safe and straightforward savings accounts designed with you in mind

general information

Savers are reminded that all interest rates are subject to variation. If the balance falls below the minimum required for the account type, the account will automatically revert to the Instant Tracker account.

Please see specific Terms and Conditions before deciding which account best suits your needs.

We will only open new Accounts for residents of the United Kingdom with a registered UK address. If you open an account with us and later move outside of the United Kingdom you will be unable to keep your account(s) open. This excludes ISA/ NISA and JISA's.

'AER' stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and added each year. Interest is paid annually unless otherwise stated.

* Instant Tracker and Deposit Tracker are Payment Accounts. Please refer to the Society's Savings Terms & Conditions for a more detailed explanation about Payment Accounts.

the Financial Services Compensation Scheme – protecting your savings

We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a building society is unable to meet its financial obligations. In general, individuals and small companies can claim compensation from FSCS. In the case of deposits, large companies are also able to claim compensation, although some exclusions may apply. We will remind you of this Scheme annually. Please see the Financial Services Compensation Scheme's 'How FSCS Protects Your Money' booklet, which is available in our Branches or our website, for details.

Your eligible deposits with Dudley Building Society are protected up to a total of £85,000 by the Financial Services Compensation Scheme, the UK's deposit guarantee scheme.

Any deposits you hold above the limit are unlikely to be covered.

For joint accounts each account holder is treated as having a claim in respect of their share so, for a joint account held by two eligible depositors, the maximum amount that could be claimed would be £85,000 each (making a total of £170,000). The £85,000 limit relates to the combined amount in all the eligible depositor's accounts with the building society, including their share of any joint account, and not to each separate account.

Please ask at your local branch or call a member of our Customer Service Team on 01384 231414 for further information or visit the FSCS website, www.fscs.org.uk.

Please check interest rates being offered by the Society to ensure that you are getting the best return for your money. If in doubt, please ask for assistance from a member the team.
