Self-build packaging requirements

Our packaging requirements for Self-Build cases are below:

- If the applicant is not a tradesperson themselves or is a tradesperson and does not have a project supervisor, we will require a professional project manager. Confirmation will be required along with qualifications
- A firm timetable for construction of the property is required
- Schedule of Works which must include a contingency amount of 20%
- Outline planning consent for the type of property the applicant intends to build with at least two years' consent remaining is required
- Ten years' structural warranty is required. List of main providers are held on the UK Finance Handbook. Other providers may be considered subject to checks of the UK Finance handbook
- Site insurance and a copy of the insurance schedule will be required with a minimum of the following included:
 - £5 million public liability
 - £10 million employers' liability
 - Contract works (for the re-instatement value)
 - Dudley Building Society to be noted as mortgage
- Site insurance will be accepted from a set list of providers. Other providers may be considered subject to checks of the UK Finance handbook
- Before building commences the valuer must have sight of the detailed planning and building regulations approvals. A Builders Notice will not be acceptable
- Architects' plans and specifications for the property
