A trust is a legal arrangement in which one party (the trustee) holds and manages assets for the benefit of another party (the beneficiary). It separates legal ownership (held by the trustee) from beneficial ownership (held by the beneficiary), according to the terms set out in the trust deed. The trust must be registered with the Trust Registrations Service (TRS). Trusts do not have membership or voting rights with the Society.

At the end of the 2 year term, you can invest in another account with the Society or withdraw your money. Prior to your account maturing, we will provide you with details of other accounts available.

If you do not tell us what you would like to do with the funds, your funds will be transferred into the default maturity account that is available at the time of maturity, but you may not receive the same interest rate.

If you would like to discuss this savings account, please visit your local branch or call our Customer Services Team on **01384 231414**
