Can Dudley Building Society change the interest rate?

The interest rate on this account is variable and the Society may make changes to this rate at any time. We will notify you of any changes in accordance with the Terms & Conditions.

What would the estimated balance be?

If you were to open this account with £1,000.00 and made no further deposits or withdrawals, you would earn £3.11 interest in the first month. On this basis, your balance would be £1,038.04 at the end of a 12 month period. This is because your monthly interest will compound over the year. Please note the illustration provided is based upon a 12 month investment and is subject to interest being credited to your savings.

Please note this is an illustration only and does not reflect your specific circumstances.
