One Year Regular Saver Issue 9 - 1111

What is the interest rate? AER*

4.75% annual interest rate* on balances £50+.

Interest is paid on account maturity at the end of the 1 year term.

The actual rate received may differ from the AER as some of the money that is paid in will have been in the account for less than one year.

(*AER stands for the Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and added each year)

Can Dudley Building Society change the interest rate?

The interest rate on this account is variable and the Society may make changes to this rate at any time. We will notify you of any changes in accordance with the Terms & Conditions.

What would the estimated balance be?

If you were to open this account with the maximum opening balance of **£500** and made the maximum investment of **£500** on the 1st of each month, the total amount deposited over a one year period would be **£6,000.00** earning **£154.03** interest. This would result in a total balance of **£6,154.03**.

Please note this is an illustration only and does not reflect your specific circumstances.
